

CARLI

Consortium of Academic
and Research Libraries in Illinois

January 13, 2023

Dear CARLI Governing Member:

CARLI is providing the following update to the January 7, 2020, and April 6, 2022, letters shared with Governing Members about OpenAthens pricing for your FY24/FY25 budget planning purposes. The purpose of this letter is to help you prepare for this transition to member-supported OpenAthens.

As previously announced in CARLI's January 7, 2020, and April 6, 2022, letters to the membership, as of July 1, 2023 (FY24), CARLI will no longer pay for members' subscriptions to OpenAthens.

CARLI is hosting two meetings about OpenAthens:

1. January 31, 2-3 p.m. Register here: <https://www.carli.illinois.edu/planning-future-openathens>
2. February 1, 10-11 a.m. Register here: <https://www.carli.illinois.edu/planning-future-openathens-0>

The meetings will be identical in content but will not be recorded because pricing information will be discussed.

Who should attend the OpenAthens meetings?

CARLI recommends that you send at least two people: the person in your organization who is primarily responsible for OpenAthens and the person in your organization who is responsible for making your library's choices in CARLI's Selection System. *It is critical that your organization's representative(s) attend one of the meetings*, especially if your organization is planning on canceling OpenAthens on July 1, 2023.

What are current costs for current OpenAthens subscribers?

- Until June 30, 2023: Costs are covered by CARLI.
- After July 1, 2023: If your library wishes to continue OpenAthens after June 30, 2023, beginning FY24 (July 1, 2023) your institution will need to select OpenAthens in the CARLI Selection System in the FY24 cycle (opens in April or May 2023) and agree to pay for this resource.

CARLI has confirmed all FY24 and FY25 prices with EBSCO OpenAthens listed in the following chart, which include a 35% discount.

Please feel free to contact me with any questions.

Sincerely,

Anne Craig
Senior Director, CARLI
